

Elaborate Gold Mirror

This is a fabulous elaborately carved bevelled wall mirror with great detail. It really does look amazing in the largest size, just casually leaning against a wall! It looks equally good in the smaller sizes hung on the wall or above a fireplace. It can be hung or leant, either portrait or landscape. The size of this wall mirror in this photograph is 1524mm x 2134mm (60" x 84") This mirror comes in White, Gold, (Gold Leaf) Silver, (Silver Leaf) and Ivory. Also in seven different sizes. Made from solid wood with an overlay of plaster moulding, which is then laefed or painted. This wall mirror is supplied with wall fixings. Please note, the carvings look much closer together on the smaller mirrors. Equally at home in a bedroom, entrance hall, dining room, above a piece of furniture or on its own.
