

Elaborate Ivory Mirror

This is a fabulously elaborately carved bevelled mirror with great detail. It really does look amazing in the largest size, just casually leaning against a wall! It looks equally good in the smaller sizes hung on the wall or above a fireplace. It can be hung either way. This mirror comes in Sugar Pink, White, Gold, Silver and Ivory. Also in seven different sizes. Please note, the carvings look much closer together on the smaller mirrors. Equally at home in a bedroom, entrance hall, dining room, above a piece of furniture or on its own. Order today and you could receive this within 5 working days.
