

## Ornamented Silver Mirror

A beautiful, detailed elaborate mirror. Heavily decorative and decadent. This is very detailed around the frame and has a bevelled mirror. It can be hung either way. This splendid mirror comes in Gold, Silver and White and in six stunning sizes. Hung above the fireplace or position on the wall for a truly stunning effect. The larger version looks particularly fantastic within a bedroom setting. Order today and you could receive this mirror within 5 working days.

PLEASE NOTE - The silver finish on these mirrors maybe better described as "pewter". It is not "new" silver but more of aged look withperhaps a hint of gold. Call us and we'll explain more!
