

Versailles Silver Mirror

With its regal rectangular frame and bevelled glass, this elaborate mirror will look amazing wherever it is hung. Simple and classic the Versailles mirror is adorned with a rococo shell and plume of two feathers. The Versailles mirror comes in gold and silver and in three different sizes. Hang above your fireplace or position on a wall in any room for a truly stunning effect. Beautiful in any size, this mirror looks at home in a contemporary or traditional setting. The larger version looks fantastic in a bedroom. Order today and you could receive this mirror within 5 working days.

PLEASE NOTE - The silver finish on these mirrors maybe better described as "pewter". It is not "new" silver but more of aged look with perhaps a hint of gold. Call us and we'll explain more!
